

Citations are required for all print and electronic sources. These are examples of the most common.

Citations – Common In Text Scenarios

Author's name in the main sentence: *page number in parentheses*

As Litterati asserts, the modern short story is often seen as a uniquely American phenomenon, due in part to the influence of Poe and Hawthorne (278).

Author not named in the main sentence: *author's last name and page number in parentheses*

What is missing from most adaptations of Austen's novel is her critique of the economics of social interactions (Janist 27).

Authors not named in the main sentence: *author last name and page number; (semicolon) next author last name and page number*

Several scholars have found that gothic novels romanticize vampirism (Lazarus 65; Kaine 86-89).

Several sources by the same author, name in main sentence: *first two or three words of the title and page number in parentheses*

Jones has completed several studies on the evolution of the use of prepositions in literature ("Parts of Speech" 65-87; "Prepositions in Speech" 99).

Quotation: *use author's name in main sentence; page number(s) in parentheses*

D'Artista notes that Kahlo's paintings were often "personal narratives, similar to Mexican *retablos*, that told the story of her suffering, strength, and stoicism" (483).

Unknown author: *first two or three words of title and page number in parentheses*

Newspaper reports of the time described the event as "the most horrifying catastrophe ever to strike the people of London" ("Historic Disasters" 51).

No page number: *use author's last name in parentheses, if not already in main sentence*

Even after Galileo was condemned as a heretic by the Catholic church, his relationship with his daughter, a cloistered nun, remained close and supportive (Starsky).
